

► **2015-2016 – The year of innovation and sharing economy**

CIRANO unveils its annual thematic: innovation and sharing economy. CIRANO's research will focus on innovation, which is both a driver of our economy and a challenging element that modifies existing models. Many activities and conferences will be organized on this thematic (e.g. Journées de l'économie on this page).

► **Creation of the Economic Development group at CIRANO**

Marcelin Joanis, Professor at Polytechnique Montréal and Vice-President of the new Economic Development group, announces the composition of his research team.
