In Memory of Claude Montmarquette

Dear colleagues, partners and collaborators, It is with deep sadness that we have learned the passing of our dear colleague Claude Montmarquette on Wednesday, September 8, 2021. Quebec loses today a great economist. Claude Montmarquette was President and CEO of CIRANO from 2009 to 2016. With his colleagues and friends Robert Lacroix and Marcel Boyer, he was one of the great builders of CIRANO. Claude was always a very active CIRANO researcher and Fellow. In recent years, he has been involved in projects that were close to his heart, notably the improvement of economic and financial literacy among Quebecers, public health, and education and school dropout. His passing will leave a great void for each of us and for Quebec. We will continue to value his accomplishments and keep his intellectual legacy alive. We will keep the memory of a great man... who had great humanistic values. Our most sincere thoughts are with his family and friends. Nathalie de Marcellis-Warin, President and CEO of CIRANO

6th edition of the BOURSTAD program - 35th edition of the BOURSTAD competition

As the school year begins, CIRANO invites High schools, CEGEPs and community colleges across Canada to register with the 2021-2022 Bourstad Program, which consists of a series of scholarship simulation activities. During the 2020-2021 school year, over 7,000 people participated in the Bourstad competition or a private Bourstad simulation. This is an increase of more than 50% compared to the previous school year. Bourstad is an exciting way to get familiar with the world of economics and finance ! Thank you to our partners: Autorité des marchés financiers, its main partner, TD Bank, CFA Montréal, the Investment Industry Regulatory Organization of Canada (IIROC), Finance Montréal, TMX Group, Hyprasoft, Croesus and QuoteMedia.
