A great success for this first conference!

On April 29, [Raquel Fonseca](#) (ESG UQAM, CREEi, CIREQ & CIRANO) and [Markus Poschke](#) (McGill University, CIREQ & CIRANO), in collaboration with CIRANO, [CIREQ](#), the [Research Chair in Intergenerational Economics](#) and the [Fonds de recherche Société et Culture \(FRQSC\)](#), organized the

First Conference on New Research and Policy Perspectives on Inequality and Poverty.

The event highlighted one of the most pressing challenges of our time. Nine presentations and a round table covered a wide range of topics related to inequality and poverty.

Doctoral and post-doctoral students were also able to present posters of their research work and exchange views with the experts in the field!
